The previous Nike using Lunar technology for everyone to create a new and improved version of Nike Air Max Lunar90, in the continuation of the classic shoe design provides a more comfortable experience, but this does not mean that Air Max 90 new R & D this is the end. Nike today released a pair of Nike Air again to Max 90 as a blueprint to build a new lightweight Nike Air Max 90 Jacquard jogging shoes, and before the difference is the use of the Free technology front, cutting lines make more riding sports shoes, heel still equipped with Air air Max continue to provide excellent cushioning effect. In order to highlight the Nike's highly recognized for this innovation, but also to make it match the classic Infrared color matching, more people feel that a sense of science and technology revealed a trace of retro temperament. At present, shoes have been sold at designated stores, interested friends can try.
