said shoes custom and DIY more common way is to replace the original boot configuration or is drawing directly on the shoe shoe body using acrylic paint using new material. But if you want to do a more advanced step, you have to talk about laser engraving. In the field of custom shoes, Absolute Customs's name in the near future is particularly hot, and he is best at using laser technology for those classic shoes carved design. Recently, the famous shoes website Kicksonfire included a pair of Absolute Customs's new masterpiece. This pair of shoes to Nike custom Lebron 11 "Akron vs Miami" for the creation of carrier, and the Nike was designed by James 1-11 to zoom all the way carved carved in the body of the shoe. Although the shoes themselves do not involve the complex process of transformation, but such meticulous carving in custom shoes are also very rare. Let's enjoy it together.
